	John Forsyth	Chairman of the Forfar Education Group Governance Board for Harrogate Preparatory School Ltd, trading as Brackenfield School
Next review	Spring Term 2025	

PURPOSE

At Brackenfield Nursery we aim to ensure that all children have enough sleep to support their development and natural sleeping rhythms in a safe environment. The safety of babies' sleeping is paramount.

Our policy follows the advice provided by The Cot Death Society and Lullaby Trust to minimise the risk of Sudden Infant Death.

We make sure that:

- Young children (from the age of 1) are placed on their side, back or front (ref sleep foundation.org)
- Children are never put down to sleep with a bottle to self-feed
- Sleeping children are monitored visually when sleeping. Checks are recorded every 10 minutes and babies are never left in a separate sleep room without staff supervision at all times
- When monitoring, the staff member looks for the rise and fall of the chest and if the sleep position has changed

We provide a safe sleeping environment by:

- Monitoring the room temperature
- Using clean, light bedding/blankets and ensuring children are appropriately dressed for sleep to avoid overheating
- Only using safety-approved cot beds or other suitable sleeping equipment (i.e. pods or mats) that are compliant with British Standard regulations, and mattress covers are used in conjunction with a clean fitted sheet
- Only letting children sleep in prams if they lie flat and we have parents' written permission
- Not using cot bumpers or cluttering cots with soft toys, although comforters will be given where required.
- Keeping all spaces around cots and beds clear from hanging objects i.e. hanging cords, blind cords, drawstring bags
- Ensuring every child is provided with clean bedding
- Transferring any child who falls asleep while being comforted by a practitioner to a safe sleeping surface to complete their rest
- Having a no smoking policy.

We ask parents to complete sheets on their child's sleeping routine with the Nursery Manager/Room Supervisor when the child starts at nursery and these are reviewed and updated at timely intervals.

We recognise parents' knowledge of their child with regard to sleep routines and will, where possible, work together to ensure each child's individual sleep routines and well-being continues to be met. However, staff will not force a child to sleep or keep them awake against his or her will. They will also not usually wake children from their sleep unless written permission is given and only if the child cooperates in a safe manner. Staff will

discuss any changes in sleep routines at the end of the day and share observations and information about children's behaviour when they do not receive enough sleep.

Sleeping twins

We follow the advice from The Lullaby Trust regarding sleeping twins.
