SCOPE

Our whole school policy for assessment relates to the ethos of the school and the aims and objectives we seek to achieve in all curriculum areas.

PURPOSE

- Assessment should be both formative and summative to enable teachers to make judgements about pupils' progress and set targets for the future.
- Assessment should inform planning, and short-term planning should identify differentiated approaches to meeting these highlighted needs.
- Assessment should be a collaboration between parents, students and teachers to enable each child to meet their potential.
- Where possible, assessment should be regarded by pupils as a positive learning experience.

GUIDELINES

- Assessment should reflect the demands of the National Curriculum.
- Formative assessments (AfL) should be an integral part of children's learning in every lesson.
- The practice of Summative Assessment should include preparation for termly PUMA and PIRA assessments (Yr 3-6), end of academic year GL assessments (Yr 3-6) and preparation for 11+ exams (entrance exams into secondary schools).
- Attainment results (WT, ES, GD) will be reported to children and parents through termly reports (Yr 1-6) and assessment results (standardised scores) will be reported to parents (Yr3-6) on a termly basis.
- Assessments will be followed by pupil progress meetings (with SLT) to determine which pupils need extra support.
- EYFS will use Tapestry to monitor and report progress of Early Learning Goals.
